

Attention Grade 11 Parents!!

Save the Date March 18th 2017

Every year at Westwood the graduating class hosts a fabulous fundraiser for graduation called "The Event". The grads perform dance routines, model evening wear and tell us about their future aspirations. There will be refreshments and amazing prizes. All the proceeds go toward Safe Grad ensuring that all students can attend. Every year fantastic Grade 11 parents pay it forward by "working the evening" so that the Grade 12 parents can watch their son/daughter perform. It's a great way to get involved and see what we are in store for next year!!

Here is a list of the jobs that are required with a brief description:

Backstage team (2) - *One male and female would be ideal*

- Help to supervise and assist with costumes. There will be grade 11 student runners guiding the groups from the theatre to backstage.

Front Door (2)

- Taking in tickets and selling last minute tickets.

Silent Auction Table (4)

- Selling silent auction tickets and grand prize tickets

50/50 Tickets (2)

- Grade 11 students will be selling the tickets. The volunteers will assist with change and counting money.

Refreshment Set-Up (8)

- **Friday March 17th**- Washing dishes, cutting and organizing dainties
- **Saturday March 18th**- Making coffee/juice, setting up refreshment stations, supervising grade 11 servers, and cleaning up after intermission

Security (3-4)

- 2 parents at the parking lot door directing people when to enter (Rouge doors instead of the main doors)
- One parent directing to washrooms, and general help

Contact me ASAP at angieyakiwchuk@shaw.ca with your name, phone number and the position you prefer. I will send out more information once my list is complete. Signing up with a friend or spouse is more than welcome!

In addition to these jobs..

We are asking for everyone to donate two dozen dainties/ treats as refreshments for the evening. They can be dropped off the Friday before (March 17th) at the school.

THANK YOU in advance, *Angie Yakiwchuk (Grade 11 Parent Lead)*
