

Dear Parents/Guardians of 2017 Graduates:

My name is Shana Chiborak and I am the coordinator of the Silent Auctions for the remainder of the fundraisers this year. Our largest fundraiser for the 2017 Grade 12 Safe Grad is fast approaching, "The Event" is being held on Saturday March 18th 2017. We are asking all of the grads to donate \$5.00. The \$5.00 is being collected to purchase items that will fill in the prize baskets.

What we are also asking families if they could donate one item towards the auction. The more prizes we can collect, the more money we will raise. Donations can be left at Westwood Collegiate in the office and I will pick them up there. If you would prefer to donate money, this will be used to purchase larger prizes. I have attached a donation letter. Please email me if you require an electronic copy. We are asking donations be submitted by **March 13th**.

In the past, enough money has been raised so that the Grads do not have to pay for their Safe Grad tickets. We would love to be able to make that happen again this year..

If you have any questions please do not hesitate to contact me;
